The diagram shows a detailed floor plan of the D Deck (Compass Deck). The plan includes the following labeled areas:

- RADIO SPACE** (无线电区)
- BATTERY RM.** (蓄电池室)
- CHART SPACE** (海图区)
- WHEEL HOUSE** (驾驶室)

Dimensions shown on the plan include:

- Vertical dimensions: 18, 20, 25, 30, 35.
- Horizontal dimensions: 5, 20, 30, 35.

Labels "D 甲板" and "D DECK" are located at the top of the plan. A large "D" watermark is overlaid on the left side of the plan.

This deck plan illustrates the layout of a ship's deck, featuring several cargo holds and a complex superstructure. The deck is divided into four main sections by vertical and horizontal lines. The bottom section contains four large rectangular cargo holds, with two labeled '压载水舱(S)' (Ballast Water Hold S) and two labeled '压载水舱(P)' (Ballast Water Hold P). Above these holds, the deck is marked with a dashed line. The middle section contains two more rectangular holds, with one labeled '液货舱(S)' (Liquid Cargo Hold S) and one labeled '液货舱(P)' (Liquid Cargo Hold P). The top section features a large, multi-tiered superstructure with various rectangular openings and a central vertical column. Stairs are indicated on the left and right sides of the superstructure. The entire plan is enclosed in a rectangular border.
